

The Folsom Chamber of Commerce has a longstanding history of political participation, beginning with the incorporation of our city 70 years ago.

Candidates desiring to be considered for endorsement by the Chamber will be interviewed before the chamber's Government Affairs Committee and members will carefully consider the following:

- Command of the Issues: Economic, business and community
- Fundraising: How much money is being reported on August 1st
- Political Plan: Communications, Get Out The Vote plan and community endorsements

If you would like to be considered for endorsement, please contact the Chamber in writing, addressed to the Government Affairs Committee.
