## **Folsom Chamber of Commerce Endorses Assemblyman Kevin Kiley for Re-Election**

(Folsom, CA, June 8, 2018) — The Folsom Chamber of Commerce announced today its endorsement of Kevin Kiley for reelection as California State Assemblymember for the 6th Assembly District. The Chamber advocates for its members and the health of the business community by supporting and promoting pro-business candidates at the local and statewide level.

“We are pleased the Folsom Chamber of Commerce is supporting Kevin Kiley for reelection,” said Dan Ryan, local business owner and Chairman of the Board. “Assemblyman Kiley’s record over the past two years speaks for itself: he has advocated on behalf of business owners, students and families in California with common sense legislation and a voting record to reflect it. Kevin Kiley has reached across ideological lines to collaborate on legislation such as his current bill to create a statewide Economic Development Strategy for the State of California.”

Kiley’s district includes parts of Placer, Sacramento and El Dorado counties. He was elected in 2016.

“We endorse Kevin Kiley for reelection. Assemblyman Kiley has shown remarkable determination in his first term to work effectively for the businesses and families of the 6th Assembly District. The Chamber desires to see his work continue.”j

The Folsom Chamber of Commerce represents almost 1,000 members in the greater Folsom area.
