

What will Leadership Folsom do for me?

Leadership Folsom is an experience offered to members, who are emerging leaders of our community wanting to take their personal leadership capabilities to a higher level. This experience will add to and challenge the way you think and practice your ability to lead others and increase your knowledge of Folsom.

You will experience first hand how our City is a community where its features as a city, hub of commerce, environment for education, and a place for recreation work in harmony with the ultimate goal of improving the quality of life for its residents, workforce and visitors.

Leadership Folsom is really an Expedition into your own approach to leading others. Like any expedition, we begin with our own provisions (leadership capabilities), we will learn how those provisions work along our route, and modify and add to them as we experience different challenges and opportunities. Most expeditions embark into the unknown. This experience is no different. While we have a goal of improved leadership and greater knowledge; there may be a surprise or two before we reach our destination.

When does class begin?

Leadership Folsom commences in April 2019 and will usually meet the second and fourth Thursday of each month through December 2019. Meeting time: 8:30 am to 12:00 pm.

Our Approach

The Leadership Folsom experience draws upon adult learning pedagogy including mini-lecture and presentation, discussion, subject immersion, engagement, role play, student as teacher, site visits and brief readings.

Each class has “paid forward” by designing, planning, and implementing a “class community project.” Many of these projects can be seen around the City today.

An integral part of our course experience, we will be using the book, “Leading at the Edge: Leadership lessons from the extraordinary saga of Shackleton’s Antarctic Expedition” (2nd ED.) This book is a proven success in organizations to help facilitate executive learning and teambuilding. You will, no doubt, find it to be an interesting and valuable way to discover leadership lessons and make them your own.

How much does Leadership Folsom cost?

The cost of the 8-month program is \$995. Deadline to apply is February 22, 2019.
